

**2018 Mediation Fee Schedule  
Green County Family Court  
Monroe, Wisconsin**

Under Wisconsin law, the first mediation of child custody and placement in a matter is normally paid for by Green County. If a party does not come to a mediation session as ordered by the Court, the parties will be ordered back to mediation with the offending party ordered to pay for that mediation session.

Subsequent mediation by the parties, or mediation regarding matters other than child custody and placement, is paid for by the parties. If both parties agree to mediate after the first mediation, they may make arrangements through the mediator originally assigned to their case or they may hire a different mediator. The rates for mediators available through Green County are as follows:

1. **Attorney Jeffrey Ingebritsen, Monroe, Wisconsin.** Charges a discounted hourly rate of \$120 per hour for family court mediation. Attorney Ingebritsen requires a deposit of \$100 from each party prior to the scheduled mediation.
  
2. **Attorney Donna Weikert, Dodgeville, Wisconsin.** Charges a discounted hourly rate of \$120 per hour for family court mediation. Attorney Weikert requires a deposit of \$200 from each party prior to the scheduled mediation.
