<input type="checkbox"/>	<input type="checkbox"/>	
<input type="checkbox"/>	<input type="checkbox"/>	

Both sign if agreed, one signs if proposed

Petitioner

Respondent/Joint Petitioner

Wisconsin Administrative Code Section DCF 150.04(2)(b)6 requires that variable costs shared by the parties be determined based on a detailed list of variable costs provided by the parties. The rule requires that transportation costs related to the exercise of physical placement be included in that list. The rule requires that the responsibility for payment of variable expenses be assigned based on each parent's share of physical placement, but parents often agree to split these expenses equally.
